PM-WANI ROLL-OUT PLAN as PDOA:

Considering the existing ISP / Mobile Operators / VNO / infrastructure support we are going to build the compatible PM-WANI platform in accordance with the C-DOT referred Standards / Processes & Guidelines.

1. We are designing the NW implementation plan based on the Geographical / Terrain / existing NW availability & Topology.
2. Categorizing the Services based on the individual business requirements like, Residential/Mini Commercial/Industrial SEZ (MSME) / Enterprise / Govt. sector / General Public requirements.

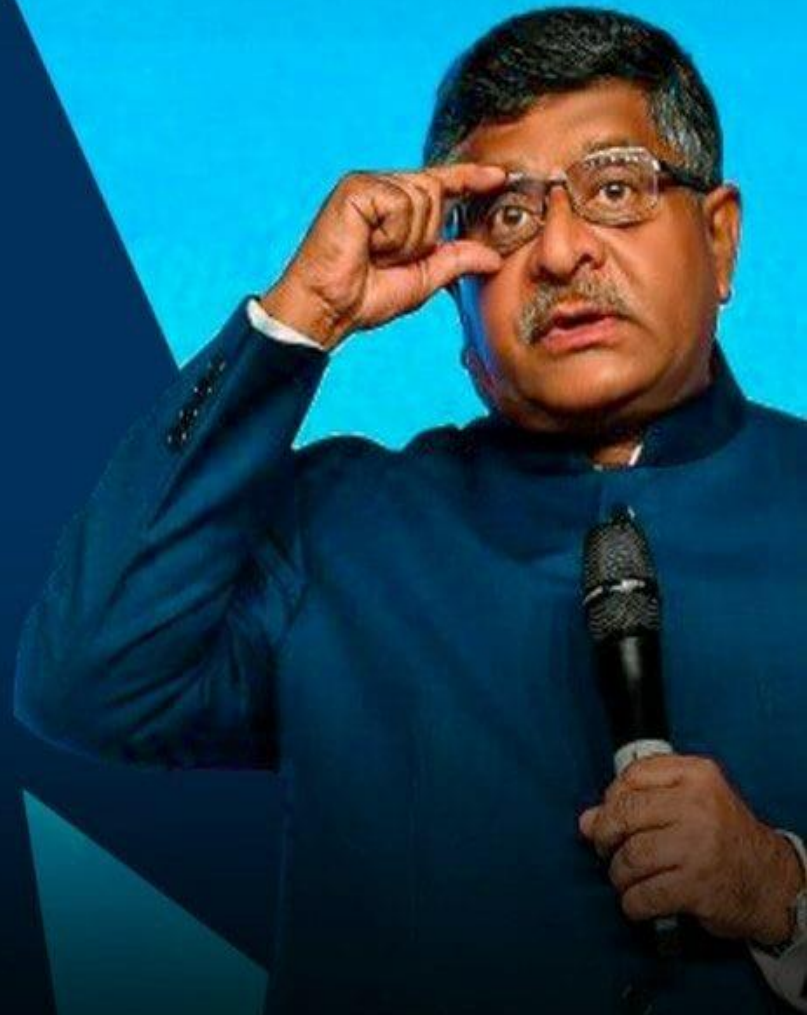

Wi-DOT introducing advanced Technology and Economic solution to rollout faster Wi-Fi deployments. No latency in provision of services post the deployment.

Wi-DOT will build the Wi-Fi network across the country intact with PM-WANI program.

Interoperable, all the Existing and traditional Wi-Fi services can be migrated in complaint with PM-WANI.

PM-WANI से देश में आएगी वाई-फाई क्रांति

केंद्र सरकार ने देश में बड़े स्तर पर पीएम वाई-फाई एक्सेस नेटवर्क इंटरफेस (पीएम वाणी) की शुरुआत करने का निर्णय लिया है। इससे देश में एक बड़ी वाई-फाई क्रांति आएगी और सभी को इंटरनेट सुलभ हो सकेगा। पीएम-वाणी योजना में पब्लिक डेटा ऑफिस (पीडीओ), पब्लिक डेटा ऑफिस एग्रीगेटर्स और एप प्रदाताओं को शामिल किया जाएगा और एक करोड़ सार्वजनिक डाटा केन्द्र खोले जाएंगे। इसके लिए कोई लाइसेंस, शुल्क या पंजीकरण नहीं होगा।

FOCUS & PRIORITY:

1. All the existing Wi-Fi APs including private and Govt., should be renewed as PDO compatible with PM-WANI.
2. All the Govt., infrastructure services will be targeted by deploying Wi-Fi as PDO under Pm-WANI.
3. All the Educational institutions including Govt., will be focussed to ensure the seamless Wi-Fi under PM-WANI in coordination with the Govt. support.
4. All the MSME institutions will be targeted thru proper education and support.
5. All the Public runways including mobility on Metro Train/Major corridors with in Metros & Highways.
6. We can create Standalone, Independent and Self-Monetizing Network platform. It can be built over the PM-WANI domain in all the Major PILGRIMAGE CENTRES.

Example: TIRUMALA THIRUPATHI DEVASTANAM; SRISAILAM; SIMHADRI; INDRAKEELADRI (VJY); MAHANANDI; BHADRACHALAM; YADADRI.

TARGET in GLANCE:

1. All State Govt. and Central Govt. organizations.
2. Schools & Colleges
3. MSME (vegetable stores / kirana / bakery / tea stalls / PAN SHOP / chicken centres / RAITHU BAZAR / FISH MARKETS / HANDLOOMS / DHOBIWALA / SUPERMARKET etc.)
4. Industrial areas (Associations/clubs/refreshment centres etc.)
5. PUBLIC AREA (BUS SHELTER / REVENUE & REGISTRAR OFFICES / RATION STORES etc.
6. ALL GATED COMMUNITIES (residential areas / apartments / club houses / govt., allotted residential communities etc.).
